

**Upgrade Your Mailbox** There are a lot of options out there! A solid, locking mailbox may discourage thieves from even trying or prevent them from getting in.

**Pick up mail promptly** Don't leave it in your mailbox overnight. If you are expecting checks, credit cards or other valuable items, ask a friend or neighbor to pick up your mail.

**If you are going out of town**, tell the Post Office and they can hold your mail until you return.

**Sign up for *INFORMED DELIVERY***. You can see photos of your mail before it arrives – for free! This way you know what is missing in the event your mail does get stolen. Go onto the USPS website and sign up!

**Don't** send cash in the mail.

**Deposit mail** in a mail slot in the post office, at a Postal Service mailbox, or hand it to your letter carrier.

**Report mail theft to NPPD.**
